Circular 3 for APBF Championships 2017

Important Notices

Gentlemen;

We are pleased to announce that a website for the 51st APBF Championships and the 21st APBF Youth Championships (collectively called the 51st APBF Championships hereinafter) is now open. The URL of the website is <www.pabf.org/51stAPBF>. All NBOs can upload Player Registration Forms and Convention Card Systems together with digital photos by sending information to Mr. Zhao SONG, APBF Webmaster, at <songzao113@163.com>, or request to Mr. Zhao Song for NBO ID and Password and upload your information directly.

As to the number of Senior teams, it cannot exceed the number of Open teams which can be up to 16. So each NBO as he wishes can register two Senior teams. The selection will be done by DRAW carried out by the host NBO.

The following new information needs your special attention:

1. Please be advised that Hotel Riviera's Room Manager is changed from Mr. Jay LEE (hun99@hotelriviera.co.kr) to Ms. Kyung-Hee HYUN (khhyun@hotelriviera.co.kr) as of today. We sincerely request that hotel registration be made per team or per NBO. Otherwise individual registration, handling 400+ persons (assuming two per room), can be quite chaotic.

2. As repeatedly informed, we have secured only 200 rooms from the Venue hotel (120 twin bedrooms and 80 double bedrooms) which will not be adequate. Therefore, registration at the Venue hotel is first-come-first-served basis. Please make hotel registration at your earliest convenience.

3. We recommend the following two secondary hotels within walking distance from Riviera

Hotel. Transportation from the Airports are the same as Riviera. However we have no price information but price would be compatible to that of Riviera. In case Riviera is fully booked, each NBO has to contact the appropriate hotel and make negotiations directly with the hotel.
