These Conditions of Contest, and any Supplemental Conditions of Contest, supplement the Laws of Duplicate Bridge 2007 as required.

By participating in a APBF Championship or Congress, each NBO and its contestants agree that all or part of any event may be filmed, recorded, or otherwise documented or publicized at the discretion of the APBF. Each NBO agrees that in the interest of promoting goodwill in the world, and for the proper conduct of a APBF Championship or Congress, it shall instruct its contestants that they must compete against all other contestants. Entry in a APBF Championship or Congress and subsequent refusal to play against any other team or contestant as required by the Schedule of Play shall result in immediate disqualification of any team, or of any contestant refusing to play. Such disqualification shall extend for the balance of the APBF Championship or Congress involved. Furthermore, the offending contestant(s) and their NBO shall be subject to suspension from participation in any future event conducted under the auspices of the APBF for such period as the APBF in its discretion shall determine.

#### ***3.2 Invitation to Participate***

their jurisdiction. The names of players and non-playing captains submitted by the NBOs for invitation to a APBF Championship or Congress must be transmitted to the President, or his designee, in writing, as prescribed by the relevant Supplemental Conditions of Contest;

- b) in its discretion, to refuse to invite any player or non-playing captain whose name has been submitted for invitation by a NBO, as aforesaid, to participate in a APBF Championship or Congress. In any such case of refusal, the Credentials Committee shall give no reason.

#### **4.3 Eligibility Requirements**

The Credentials Committee must ensure that each nominated contestant satisfies the birth and residence requirements of the NBO nominating him belongs as follows:

*Except for those players being nominated for participation in any APBF Youth Championship or Transnational Event (as defined by the Executive Committee), to determine that any competitor in a APBF Tournament must be a national of the country of the NBO entering him for participation, or the player has been a resident in the NBO concerned during three years out of the five years immediately preceding the date of the Tournament, or the player has lived six months immediately preceding the Tournament in the NBO concerned, subject to the following:*

- i) *If a competitor is a national of two or more countries at the same time, he may represent either one of them, as he may elect.*
- ii) *If a competitor has represented one country in a APBF Championship or WBF Tournament and has changed his nationality or acquired a new nationality, he shall not participate in a APBF Championship to represent his new country until after three years of such change or acquisition. This period may be reduced or even cancelled upon the request of the NBO with the approval of the APBF Executive Committee.*
- iii) *If a new NBO is affiliated as a member of APBF, a competitor may continue to represent the country to which he belongs or belonged. However, he may, if he prefers, choose to represent his country or be entered in a APBF Championship by his new NBO if one exists. This particular choice may be made only once.*

No male shall be a playing member of, or a substitute player in, a team or pair competing in a women's event.

#### **4.4 Over-Riding Eligibility Regulations**

The Supplemental Conditions for a specific event may specify over-riding Eligibility Regulations based on residency qualifications which prevail for that particular championship or congress.

#### ***4.5 Eligibility for Youth Players***

As a general rule, players competing in Junior events shall be aged 25 years or younger in the calendar year in which the competition is to take place. Players competing in Youngsters events shall be aged 20 years or younger in the calendar year in which the competition is to take place. For example: throughout 2011, Juniors are players born in 1986 or later, Youngsters are players born in 1991 or later.

### **5. Official Language**

English is the official language of a APBF Championship or Congress. During a match the players may converse only in English unless both captains (in team games) or all four players at the table (in pairs events) agree to use some other common language at their own risk. If necessary, each captain is responsible for the provision of an interpreter for translation into English. The Laws printed in English will be used by the Tournament Directors to adjudicate irregularities. No appeal due to misunderstanding in a language other than English will be heard.

### **6. Ethics And Deportment**

All contestants in APBF Championships or Congress are required to conform at all times to the highest standards of ethics and deportment. The APBF expects all teams and partnerships to play to win at all times and in all circumstances. All contestants (including non-playing captains) are also expected to accept the decisions of the Tournament Appeals Committee in a sportsmanlike manner (See also Section 30.3)

### **7. Anti-Doping Regulations**

It is mandatory for all participants to follow the WBF Anti-Doping regulations detailed in Appendix 10.

### **8. Dress Code**

NBOs are asked to take note of the recognition of Bridge as a Sport by the IOC and requests that players should, at all times, be dressed appropriately; this is particularly the case at the Opening Ceremony and at the Prize Giving Ceremony or Victory Banquet, when it is expected that teams should at least be uniformly dressed even if a team uniform is not available. During play appropriate dress would, for example, be an open-necked shirt, or a smart polo or sweatshirt worn with trousers or skirt as appropriate.

### **9. Restrictions**

The following restrictions apply to the playing areas (see definition of these areas in Section 2.17).

### ***9.1 Smoking and Alcohol***

Smoking and the consumption of alcoholic beverages of any nature in the playing area are prohibited. No player may leave the playing area in order to smoke or consume alcohol before the end of his match. Any player or team official smoking or consuming alcohol before, during or after the session in these areas will result in his team being fined 2 VP, or in the case of pairs events, will result in his partnership being fined 25% of the match points available on a board during the session. Constant violation of this regulation will result in the player being prohibited from playing and in the team official not being admitted into the playing area.

### ***9.2 Mobile Phones, Pagers and other electronic equipment***

Mobile telephones, pagers or other electronic equipment may not be brought into the playing area. Any player or team official bringing such an item into these areas will result in his team being fined 2 VP or in the case of pairs events, will result in his partnership being fined 25% of the match points available on a board during the session. The penalty is mandatory. Constant violation of this regulation will result in the player being prohibited from playing and in the team official not being admitted into the playing area.. The Chief Tournament Director may, at his discretion, prohibit a player from bringing other equipment into the playing area. Anyone entering the playing area may be required to comply with procedures put in place by the APBF for the detection of such electronic equipment. See also Section 28.1 for restrictions pertaining to spectators.

## **10. Disqualification from any APBF Championship or Congress**

Should a team, pair or individual play be disqualified as a result of a decision made by a Tournament Director, Tournament Appeals Committee or the Executive Committee, no refund of the entry fees, either in part or in whole, will be made.

## **11. Vu-Graph**

All contestants are required to play on Vu-Graph, on-line Vu-Graph and Television whenever assigned to do so by the President or his designee. In the absence of any contrary stipulation, the room from which play is broadcast to the Vu-Graph audience shall be the Open Room.

## **12. Media Presentation**

Players are required to participate in any public presentation of matches, interviews etc arranged by the APBF, including video, Internet, TV, radio or any other media presentation.

## **13. Completion of WBF Convention Card**

### ***13.1 Publication of Systems***

Registration of Convention Cards with the APBF gives the APBF the right to publish such convention cards via Internet or to any parties at the Championship or Congress in such form as it sees fit. When full systems are registered on site, for the purposes of providing additional information, these will not be published by the APBF to persons other than those requiring them for the purpose of running the Tournament.

### ***13.2 Requirements***

Contestants are required to make full written disclosure of their System and also to make a full disclosure of the meaning of any call or play in response to a proper question at the table from an opponent. The Supplemental Conditions of Contest will set forth detailed procedures for that disclosure, in accordance with the WBF Systems Policy and in addition to rules established in these Conditions of Contest.

The full written disclosure referred to in the above paragraph is made by the completion in due form of the WBF Convention Card and Supplementary Sheets as required. Partnerships are required to file their Convention Cards and Supplementary Sheets in accordance with the Supplemental Conditions of Contest. A Card will not be regarded as having been completed in due form for the purposes of this section unless:

- a) all sections of the Card have been accurately and legibly completed, in English, in accordance with the Guide to Completion, these Conditions of Contest, and the Supplemental Conditions of Contest;
- b) the Card and Supplementary Sheets contain a clear and sufficient explanation of the System used, including, without limitation, all competitive agreements and understandings, it being accepted by the APBF that the full particulars of some sequences (such as relays) which occur in later rounds of the auction, may be omitted from the Card without such omission constituting a breach of the requirement that the Card contain a clear and sufficient explanation of the System;
- c) the type of System and its appropriate colour are duly indicated in the prescribed place on the Card.

### ***13.3 Supplementary Sheets***

- a) The WBF Convention Card may be supplemented by the addition of Supplementary Sheets. The function of the Supplementary Sheets is to facilitate the full disclosure of Systems and the relationship of material on a Supplementary Sheet to material on a Card should be clearly indicated by corresponding numbers on both the Card and the Supplementary Sheet.
- b) The number of Supplementary Sheets allowed, as well as the procedures for amendment and variation of Convention Cards will be set forth in the Supplemental Conditions of Contest.

### ***13.4 General***

- a) If a player makes use of any conventional call not sufficiently described on his Card (including Supplementary Sheets), that

player's partnership may be subject to a procedural penalty (Law 90) for the infraction and/or to disciplinary penalty as well as to score adjustments to redress any damage.

- b) The onus of disclosure is on the user. When there is a claim of damage through inadequate disclosure, the Tournament Director and the Tournament Appeals Committee will give the benefit of any doubt to the opponents.

#### **14. Use Of Convention Card At Table**

Unless otherwise set forth in the Supplemental Conditions of Contest, each member of a pair must hand to one of his opponents at the table during each Session of an event his duly completed Card and Supplementary Sheet(s) (incorporating any variations made pursuant to the provisions of the Supplemental Conditions of Contest for a specific APBF Championship or Congress) which shall contain in the designated place on the Card an indication of the appropriate colour. These are to be reclaimed at the end of the Session. After withdrawing his cards from the board and until they are restored at the conclusion of the play, a player may not consult his own Card or Supplementary Sheets. He may consult the WBF Convention Booklet in respect of a call made by an opponent, but not in respect of a call made by his partner, or one made or contemplated by himself, *and he may consult written defences against Brown sticker conventions and HUM-aspects in his opponents system.*

#### **15. Alerts And Explanations**

An alertable call is defined in the WBF Alerting Policy (see Appendix 3: WBF Alerting Policy). Subject to the provisions of Section 25.2 when screens are in use, the partner of a player who has made an alertable call must immediately alert his opponents unless they have stated, before the auction started on the first board of the set, that they do not wish to be alerted. It is the responsibility of the alerting player to alert clearly. No explanation of the meaning of the alertable call should be made unless requested by an opponent. Request for explanation of an alertable call may be deferred until later in the auction, or until after the auction has closed in accordance with Law 20.

#### **16. WBF Convention Booklet**

Except in the case of initial action, whether offensive or defensive, showing two or more specified suits (for which the suits involved must be specified on the convention card) a reference on the Card to the name of a convention described in the WBF Convention Booklet which is contained on the WBF CCE or within the WBF Guide to Completion (obtainable from [www.ecatsbridge.com](http://www.ecatsbridge.com) [Documents section]) shall be deemed to incorporate on the Card the full text of the relevant convention as described in the WBF Convention Booklet. Should any modification of the description contained in the WBF Convention Booklet be used, sufficient details of such modification must appear on the Card in the appropriate section where the subject convention is named. No modification should be written on the WBF Convention Booklet itself.

## **17. Non-Playing Captains In Team Tournaments**

### ***17.1 General***

A non-playing captain (NPC) may observe his team during play subject to the rules set forth in this Section and to any supplementary regulation made from time to time by the APBF before a APBF Championship or Congress begins. The NPC must enter the room before play begins at the start of a Session, and if the NPCs of both teams are in the room, they shall sit on the same side of the screen. In case of dispute the “Home Team” captain shall decide on which side of the screen they will sit. An NPC may observe play in the Closed Room at the discretion of the Chief Tournament Director.

### ***17.2 Procedure during matches***

- a) An NPC who leaves the room, except as provided in this Section, cannot return during that Session. Exceptionally, if the NPC is requested to leave the playing room (for the purpose of consultation or for whatever reason) by a Tournament Director, the President, the Chairman of the Tournament Appeals Committee, or the Chairman of the Organising Committee, he may (but need not) be permitted to return to that playing room at the discretion of the Tournament Director.
- b) An NPC is bound to the same restrictions as spectators (Law 76), except that he may intervene to restrain misbehaviour or curtail unnecessary discussion on the part of his team members, and may with the concurrence of the Tournament Director speak to questions of fact or law, after the Tournament Director has been called to the table, but may not call the Tournament Director.
- c) During the time allowed for a Session, whether play is actually taking place at the moment or not, an NPC should not address members of his team at the table in any but the English language or in a language understood by the opponents. If it is desired to use a language other than English, the permission of the opponents should be sought, and, where reasonably possible, should be given. If difficulty arises, an NPC wishing to speak to his team in a language not known to the opponents should do so through an interpreter or team member who can translate for the benefit of the opponents.
- d) At any time when a comparison of scores is allowed a non-playing Captain may draw his players' attention to his observation of an infraction but he is bound as a spectator by Law 76B until that time.

### ***17.3 Delegation of responsibility by the NPC***

NPCs are responsible for the performance of various functions detailed in these Conditions of Contest and the Supplemental Conditions of Contest. While the APBF recognizes the importance of other team officials (such as deputy-captain, coach, etc.), it is only when they are specifically named by the NPC, and have been invited to participate in the relevant APBF Championship or Congress by the APBF, that they may perform certain of the official functions assigned to the NPC.

Such additional team officials may not enter the playing rooms unless they obtain the permission of the Tournament Appeals Committee and such Committee may impose conditions on such entrance in its discretion.

### **18. Substitutes In Team Tournaments**

If, for any reason, a team is unable to produce four players, either at the start of a Session or because of an emergency that develops during the Session, the Tournament Director, in consultation with the captain of the team, may designate a substitute to complete the team. A substitute need not be a member of the NBO represented by the team on which he or she substitutes, but must not be a player from another team and may not be a male in the case of an event restricted to women.

The Tournament Director, having designated a substitute, shall inform the Chairman of the Tournament Appeals Committee or his designee as soon as practicable. The results obtained by the substitute shall stand unless the Tournament Appeals Committee judges that the substitute's bridge skills were considerably greater than those of the player replaced, in which case an adjusted score may be determined. Whether or not the result stands, the Tournament Appeals Committee may impose appropriate penalties when it judges a team to be at fault.

The Tournament Appeals Committee shall have authority to determine whether, and to what extent, a substitute may become a permanent replacement.

### **19. Substitutes In Pair Tournaments**

The Chief Tournament Director may make emergency substitutions whenever they are necessary to the smooth operation of the game. If this will, or may, cause the resultant disqualification of any contestant, the contestant shall, where practicable, be notified at the time the substitution is made.

### **20. Forfeits In Team Tournaments**

If a team is unable to play or complete a match, the Tournament Appeals Committee may find that team to be in default and declare the match forfeited. The team in forfeit shall score zero Victory Points and zero IMPs for that match. The team winning the forfeited match shall be credited with such number of Victory Points as the Tournament Appeals Committee shall consider to be equitable in all the circumstances.

If it is, or becomes, necessary also to assign an IMP score for tie breaking or carry-over purposes, the winning team shall be credited with the average number of IMPs, rounded up, which earns the assigned Victory Points score.

### **21. Substitute Boards In Team Tournaments**

A "substitute board" is one introduced into play in a Session or a match, to replace a board already played at one or both tables. Depending upon the decision of the Tournament Appeals Committee, the results of a substitute board may, or may not, be

counted as part of the Session or match. Substitute boards are put into play by the Tournament Director either on his own volition or by direction of the Tournament Appeals Committee.

## **22. Fouled Boards**

A board is considered “fouled” if the Tournament Director determines that one or more cards were misplaced in the board in such a manner that contestants who should have direct comparison did not play the board in identical form. If in a team event a pre-duplicated board is wrongly dealt and Law 13 of the Laws of Duplicate Bridge 2007 applies in such a way that the board cannot be played, the board is considered to be a fouled board.

### ***22.1 Fouled Boards in Team Tournaments***

A board is not considered fouled if the boards played in the same match are identical even though that board may differ from the like numbered board played in simultaneous matches. In general, a fouled board should be replayed through the substitution of a new board. In addition, penalties will apply in certain circumstances (in accordance with the Supplemental Conditions of Contest). Replays through the substitution of one new board shall not be permitted after the result of a match may be known to the contestants, as to which circumstances the Tournament Director’s decision shall be binding. That match is scored as though the board had never been played\*.

The same rules apply whenever a substitute board would normally be played, for example, when the Tournament Appeals Committee nullifies a board. When the Tournament Director has reason to believe the Tournament Appeals Committee may wish to have a substitute board played in the final Session of a match, he should have a provisional board played during the Session with an extra time allowance of 8 minutes. The Tournament Director, on his own volition, may instruct that a provisional board be played pending a future decision.

**\*Example:** if the 7<sup>th</sup> board in a 16-board match is fouled and the error is discovered when the contestants are computing the result of the match, the board is disregarded and the match is scored as though it consisted of only 15 boards, *no additional IMPs will be awarded.*

### ***22.2 Fouled Boards in Pair Tournaments***

When a board has been fouled, the Tournament Director shall determine where the foul occurred. If guilt can be determined, penalties should be assessed in accordance with the Supplemental Conditions of Contest. Procedures for scoring fouled boards are contained in the Supplemental Conditions of Contest.

## **23. Bidding Boxes**

### ***23.1 General***

Bidding boxes will be used throughout a APBF Championship or Congress. Starting with the dealer, players place the bidding cards on

the table in front of them, from the left and neatly overlapping so that all calls are visible and faced towards partner; players should refrain from touching any bidding cards until they have determined their call. A call is considered to have been made when the bidding card(s) is removed from the bidding box with apparent intent (but Law 25 may apply).

Alerts should be made by the use of the alert card; it is the responsibility of the alerting player to ensure that his opponents are aware of the Alert. Playing without screens a player “announces” a skip bid by placing the Stop card in front of him, then placing his bid card as usual, and eventually removing the Stop card. His LHO should not call until the Stop card has been removed. (If the Stop card has been removed hastily or has not been used, an opponent may pause as though the Stop card has been used correctly.)

Until they are removed from the table, a player obtains a review of the auction by inspecting the bidding cards. When such inspection is not feasible a player may obtain a written review of the auction at his first turn to play to trick one.

If screens are in use, the bidding cards are removed from the box and placed in the tray from the left and neatly overlapping so that all calls are visible and faced towards partner; the players should make every effort to see that these actions are performed as quietly as possible.

### ***23.2 Changes to Bids Made***

A call placed and released may be changed :

- a) If it is illegal or inadmissible (in which case the change is obligatory), if screens are in use, as soon as either screenmate is aware of this; or
- b) If it is determined by the Director to be a call inadvertently selected or
- c) Under the provisions of Law 25 (the penalty provision of Law 25B does not apply if the first call is not transmitted through the screen) see Section 25.3 for procedures when screens are in use, subject to which a call placed and transferred to the other side of the screen becomes subject to the normal provisions of the Laws.

## **24. Play of the Cards**

During the course of play, each card should be played towards partner in a consistent manner and placed on the table in the same position each time so that it can be seen by all players at the table.

Quitted tricks should be placed consistently in a neat row in front of the player, evenly overlapping with tricks won pointing towards partner and tricks lost pointing towards the opponents.

## **25. Screen Regulations**

Screens will be used whenever possible in a APBF Championship or Congress.

### **25.1 Description of the Operation**

The North and East players sit on the same side of the screen throughout. It is North's responsibility to place the board on, and to remove the board from, the bidding tray. It is West's responsibility to adjust the screen aperture. The sequence is this: North places the board on the bidding tray. The aperture is closed (and remains so during the whole of the auction period) so that the bidding tray can just pass under it. The players remove the cards from the board. Calls are made with the cards from the bidding box. The player places the selected call in the bidding tray, which will be visible only on the player's side of the screen. A player's first call should touch the extreme left of his own segment of the bidding tray, with subsequent calls overlapping neatly and evenly to the right. Players should make every effort to perform these actions as quietly as possible. With screens in use a call is considered „made“ when placed on the tray and released.

After two players on the same side of the screen have made their calls, North or South (as the case may be) slides the bidding tray under the centre of the screen so as to be visible only to the players on the other side. They then make their calls in like manner and the bidding tray is slid back again. This procedure is continued until the auction is completed. It is considered desirable that players should vary the tempo randomly when returning the tray under the screen.

After all four players have had the opportunity to review the auction (equivalent to the right of having the auction restated) the players replace their bidding cards in their respective bidding boxes.

After a legal opening lead is faced, the screen aperture is opened the minimum necessary to permit all players to see the dummy cards and the cards played to each trick. If a defender exposes a card and, because of the screen, declarer does not see it, dummy may draw attention to the irregularity.

### **25.2 Alerts and Explanations**

- a) A player who makes an alertable call as defined in Appendix 3 must alert his screen-mate, and partner must alert on the other side of the screen when the bidding tray arrives there. The alert must be made by placing the Alert Card over the last call of the screen-mate, in his segment of the bidding tray; the alerted player must acknowledge by returning the Alert Card to his opponent. A player may, by written question, ask for an explanation of an opponent's call; the screen-mate then provides a written answer.
- b) At any time during the Auction a player may request of his screen mate, in writing, a full explanation of an opponent's call. The reply is also in writing.
- c) At all times from the commencement of the Auction to the completion of play each player receives information only from his screenmate about the meanings of calls and explanations given. Questions during the play period should be in writing *with the aperture closed*. The screen is raised after the response has been made.

### ***25.3 Modifications of Laws when Screens are in Use***

- A. An irregularity passed through the screen is subject to the normal laws, with the following provisions:
  - 1. an inadmissible call - see Law 35 - must be corrected.
  - 2. if a player infringes the law and, inadvertently (otherwise Law 23 may apply), the irregularity is passed through the screen by his screenmate the latter has accepted the action on behalf of his side in situations where the laws permit LHO to accept it.
- B. Before an irregularity is passed through the screen the offender or his screenmate shall draw the Director's attention to it. Infringing calls shall not be accepted and shall be put right without other rectification (but see A2 above); any other irregularity shall be rectified and the Director ensures that only the legal auction is passed through the screen. A Law 25B substituted call may be accepted by the screenmate. No player on the other side of the screen shall be informed of the occurrence unless the application of a law requires it.
- C. The screenmate should attempt to prevent an opening lead out of turn. Any opening lead out of turn shall be withdrawn without other rectification if the screen has not been opened. Otherwise:
  - 1. when the screen has been opened through no fault of the declaring side (and the other defender has not led face up) Law 54 applies.
  - 2. when the declaring side has opened the screen the lead is accepted. The presumed declarer becomes the actual declarer, Law 23 may apply.
  - 3. when two opening leads are faced by the defending side the incorrect lead is a major penalty card.
  - 4. for a card faced by the declaring side see Law 48.
- D. When an alertable call is made see 25.2 above.
- E. When a player takes more than a normal time to make his call, it is not an infraction if he draws attention to the break in tempo. His screenmate, however, shall not do so.
- F. If a player on the side of the screen receiving the tray considers there has been a break in tempo and consequently there may be unauthorized information he should, under Law 16B2, call the director. He may do so at any time before the opening lead is made and the screen opened.
- G. Failure to do so as F provides may persuade the Director it was the partner who drew attention to the break in tempo. If so he may well rule there was no perceived delay and thus no unauthorized information. A delay in passing the tray of up to 20 seconds is not regarded as significant.

### **26. Duplicated Boards**

Whenever possible duplicated boards will be used throughout all APBF Championships and Congress.

## **27. Curtain Cards (When used)**

At the start of each match, or session of a match, which is played with similar sets of boards across the field, each player is required to fill out the hand on a prescribed Curtain Card when a board is first played. At the conclusion of play of the board, each player should place the Curtain Card on top of the bridge hand so that it may be read after playing cards have been returned to the duplicate board. After the boards are moved to another table, each player shall examine the Curtain Card in the pocket of the designated position. If the direction of the Curtain Card in the board agrees with the designated direction and the hand on the Curtain Card agrees with the hand the play proceeds. Otherwise the Tournament Director must be summoned forthwith. Failure to follow this procedure will result in penalties at the discretion of the Chief Tournament Director.

## **28. Attendance In Playing Rooms**

Subject to any supplementary regulations made by the Executive Committee or special permission of the President, only the following are permitted to enter the playing rooms:

- a) participants assigned to play in that room;
- b) Tournament Directors;
- c) personnel needed to operate these tournaments, including assigned recorders, scorers, timers, caddies and Vu-Graph personnel;
- d) the President;
- e) Chairman of the Tournament Appeals Committee and Organising Committee;
- f) members of the Tournament Appeals Committee who are on duty;
- g) staff personnel for provision of refreshment and room cleaning, if necessary;
- h) "Officials on duty" appointed for a specific session or sessions by the President;
- i) a maximum of two members of the Daily Bulletin staff to be named by its Editor;
- j) a maximum of eight approved journalists who have been accredited by the President (or his designee).

The assignments of places in the playing rooms to those in categories (i) and (j) shall be made by the Editor of the Daily Bulletin subject to the following rules: (There are a maximum of 10 individuals who represent categories (i) and (j). For purposes of the following, those 10 are considered a single group and members of it are referred to as "representatives").

- Except by permission of the President, not more than one "representative" shall be at any table at the same time; preference will be given to category (i).
- The "representative" must enter the room before the session begins, must remain on the same side of the screen throughout the session and, should he leave before the end of the session, may not re-enter any playing rooms.
- "Representatives" in categories (i) and (j) may be assigned to Open and Closed Rooms.

- A “representative” from category (j) may not be assigned to either room of a match that is presented on Vu-Graph. A “representative” from category (i) may be assigned only to the Closed Room of a Vu-Graph match. However, if both rooms of a match are being simultaneously presented on Vu-Graph, “representatives” from all categories shall be excluded from both playing rooms of that match.
- A “representative” from category (j) who is from the same NBO as a player in that room, is deemed to be, for purpose of Law 11, a spectator for whose presence at the table that player is responsible. Accordingly, the player's consent is required for the “representative's” presence at the table.

The Executive Committee may increase the number of the approved journalists specified in (j) above if the space available and the security conditions permit. Subject to conditions of play, the President may permit spectators to watch matches in the Open Room. In this event, a spectator should be seated at one side of the screen and no more than six spectators may watch at any one table. Spectators can only watch one match. Non-playing players from a team are not permitted to watch either own team’s match.

An individual who observes an irregularity when a spectator is subject to the inhibition in Law 76B until a ruling on the board may no longer be sought. “Representatives” are spectators, as also are other non-participants observing the play.

### ***28.1 Restrictions***

The following restrictions apply to the playing areas (see definition of these areas in Section 2.16).

Spectators are not permitted to smoke or consume any alcoholic drinks in these areas, nor may they bring mobile telephones, pagers or other electronic equipment into these areas. Spectators contravening any of these regulations will be required to leave the playing area immediately and will not be permitted to return for the remainder of the Championship without specific permission from the Chief Tournament Director.

The Chief Tournament Director may, at his discretion, prohibit a spectator from bringing other equipment into the playing area. Anyone entering the playing area may be required to comply with procedures put in place by the APBF for the detection of such electronic equipment.

## **29. Rulings And Appeals**

The Tournament Director shall be summoned to a table as soon as attention is drawn to an irregularity. After the Director has given the ruling, any appeal against such ruling must be lodged in accordance with Section 31.

## **30. Tournament Appeals Committee (see definition in Section 2.25)**

### ***30.1 General***

All appeals of rulings of the Tournament Director shall, subject to Sections 34 and 35 and where applicable subject also to Section 30.2, be heard and decided by the Committee. The Chairman or his designee shall convene the Committee at the conclusion of Sessions or at any other time he deems appropriate, and shall divide the Committee into smaller committees each having neither fewer than three nor more than five members. Each such committee shall have all the powers of the Committee for the purpose of deciding the matter in question. The Chairman or his designee will nominate a member of each such smaller committee to be its chairman.

The Code of Practice for Appeals Committees will apply. Players should note the procedures which the Code calls upon them to adopt (as, for example, that they should randomize and make unpredictable the tempo of passing the tray).

The WBF Code of Practice is utilized by the APBF Tournament Directors before any rulings are made, and such rulings are made in consultation with other Directors, senior players and other personnel as appropriate. The Code of Practice can be found on the WBF and ECatsBridge Websites.

### ***30.2 Authority***

During the course of any APBF Championship or Congress the Committee may in its discretion investigate any matter touching upon or arising out of the Laws of Duplicate Bridge 2007, or these Conditions of Contest, or the Supplemental Conditions of Contest, however that matter may have come to the attention of the Committee; and the decision of the Committee in respect of any such matter shall be arrived at in the manner referred to in Section 32.1, and shall, subject only to Section 32.1 of these Conditions, be final in all cases.

### ***30.3 Team Requirements***

The APBF expects all teams and partnerships to play to win at all times and in all circumstances. While a team may rest its players and make other decisions for strategic reasons, it is not permissible for a partnership to play by design to obtain a session score inferior to that of its opponents, and the Committee shall have the authority to determine on such evidence as it considers sufficient whether a partnership has done so. Any such finding will constitute grounds for such penalties as may be imposed by the Committee, which shall also be empowered to recommend that the Executive Council disqualify or suspend the offending contestant.

## **31. Lodging Of Appeals**

A request for, or appeal of, a Tournament Director's ruling must be lodged within 30 minutes of the first posting of the official score for the Session in which the board was played that is the subject of the ruling. All appeals must be lodged by the team's

Captain or his designee, or by one member of the pair in the Pairs events. An appeal may take one of two forms:

- a) it may be an appeal of the Director's ruling as to an infraction or otherwise, and any consequent decisions. This would be heard in accordance with Section 32 following, or
- b) it may alternatively be a Request for Review of the score adjustment where the appellant does not wish to challenge the finding of an infraction. The Tournament Appeals Committee would normally give a decision on this on the basis of the documentation alone.

### ***31.1 Deposit for Appeals or Requests for Review***

When lodging an appeal or a Request for Review the appellant must deposit US\$100 (or its equivalent) with the Tournament Director. This deposit will be refunded unless the Committee determines that the appeal was without merit, in which case the deposit will be forfeited and paid to a charity nominated by the President.

## **32. Hearing Of Appeals**

### ***32.1 General***

On receipt of the duly completed Appeals Form the Tournament Director shall, as soon as possible, inform the Chairman or his designee. The Chairman shall schedule the time and place for the hearing of the appeal and shall so advise the Tournament Director, who in turn shall advise all parties involved of such time and place. Guidelines for the hearing of appeals and other proceedings of the Committee are set out in Appendix 1. Failure to observe such guidelines shall not of itself vitiate any decision of the Committee. However, if in the opinion of the President or the Chairman there may have been non-observance of the guidelines capable of seriously prejudicing the rights of any party appearing before the Committee, then the President or the Chairman may, in his discretion, direct that the proceedings in question be reheard, in which case the decision of the Committee on the rehearing shall replace the decision on the first hearing.

On an investigation made otherwise than on appeal, the Committee may impose such penalty on any party, or direct that an adjusted score be entered for any boards, as it shall deem proper. In any case in which it considers the circumstances to justify or require it, the Committee may (in addition to any other penalty imposed) recommend to the Executive Committee the suspension of any player for one or more Sessions of the event, the forfeiture of a match, or the disqualification of a pair or team.

The Appeals Committee will observe the WBF Code of Practice.

### ***32.2 Failure to attend***

If any party to an appeal or other proceeding of the Committee, or any other person whose attendance is required by the Chairman, having been given notice of the time and place of the hearing, fails to appear, the Chairman may:

- a) re-schedule the hearing;
- b) proceed to a decision of the Committee in the absence of the party who failed to appear;
- c) if the party who failed to appear is the appellant, dismiss the appeal without a hearing, and confirm the ruling of the Tournament Director. A party to an appeal or other proceeding of the Committee or any other person whose attendance is required by the Chairman, who fails to appear, having been given notice of the time and place of the hearing, may be penalized by the Committee. All four players at the table shall consider themselves called to the hearing unless prior consent to the absence of a player or players is obtained through the Tournament Director.

In addition to the powers conferred by these Conditions of Contest and the Supplemental Conditions of Contest, the Committee has those powers assigned to it in the Laws of Duplicate Bridge 2007.

### **33. Appeals To The WBF Laws Committee**

An appeal of the Tournament Director's ruling on a point of Law may be taken to the WBF Laws Committee. Such appeal shall be made in writing by the Team Captain, (or designee) or players in a pairs event, and turned over to the Tournament Director, who will then file the appeal with the Chairman of the WBF Laws Committee, or the President. At least two members of the WBF Laws Committee shall constitute a quorum, and there is no further appeal on matters of Law.

### **34. Appeals Of These Conditions Of Contest**

An appeal of the Tournament Director's ruling on, or an interpretation of, these Conditions of Contest or any Supplemental Conditions of Contest or any technical operation of a APBF Championship or Congress, shall be made in writing by Team Captain, (or designee) or players in a pairs event. Such appeal shall be turned over to the Tournament Director who will then file the appeal with the Chairman of the Organising Committee or the President. Unless the Chairman and the President are of joint opinion (which shall be final) that the appeal has no merit, the appeal shall be heard by the members of the Executive Committee and the members of the Organising Committee present at the site of the APBF Championship or Congress, sitting as a single body. The President shall preside over this meeting and decisions reached shall be final.

### **35. Eligibility For Awards**

The APBF will establish, for each APBF Championship or Congress, a scale of APBF Master Points Awards in accordance with the APBF Master Point Plan. Gold, Silver and Bronze Medals will normally be awarded for APBF Championships and Congress. In APBF Championships in all events, the highest-ranking team after the round robins will be awarded the Gold Medal and/or Trophy, the 2<sup>nd</sup> ranking team will be awarded the Silver Medal and/or Trophy, and the 3<sup>rd</sup> ranking team will be awarded the Bronze Medal and/or Trophy. In APBF Congress in all teams events, the winning team in the final will be awarded the Gold Medal and/or Trophy. The losing finalists will be awarded the Silver Medal. For the play off regulations to determine

the Bronze Medallists, see Section 37. In all pairs events, the winning pair shall be awarded the Gold Medal and/or Trophy or prize, the second placed pair shall be awarded the Silver Medal and the third placed pair the Bronze Medal.

### **36. Play off Regulations for 3<sup>rd</sup> Place**

The detailed play off Regulations for bronze medals or 3<sup>rd</sup> place as appropriate will be contained within the Supplemental Regulations for each APBF Congress.

### **37. Authority of the APBF Executive Committee**

The APBF Executive Committee reserves the authority to modify or supplement these Conditions of Contest and the Supplemental Conditions of Contest, at any time.

### **38. Responsibility of the APBF**

The APBF schedules a APBF Championship or Congress to occur at a particular time and place. However, the APBF makes no warranty to any participating NBO, team, pair or person, that any particular APBF Championship or Congress will take place as scheduled and accepts no responsibility for any loss or expense should it not do so.

### **39. Appendix 1 - Guidelines for Hearing Appeals and Other Proceedings of the Committee**

*(See Section 31 of these General Conditions of Contest)*

1. An appeal shall consist of the hearing of the evidence and argument; the deliberations of the Committee; and the announcement of the Committee's decision.
2. The Chairman may in his discretion require the attendance of specified parties at the hearing of an appeal. The parties who will normally be present during the hearing of evidence and argument shall be:
  - a) the appellant pair;
  - b) the respondent pair;
  - c) the respective Captains (if a team tournament);
  - d) an interpreter, if in the judgement of the Chairman this is necessary to ensure adequate understanding of the proceedings by any party thereto;
  - e) the Tournament Director who gave the ruling appealed against, and the Senior Tournament Director on duty;
  - f) any other person who in the judgement of the Chairman is able to assist the Committee in determining the facts;
  - g) the members of the Committee hearing the appeal;
  - h) the Scribe recording the proceedings.
3. Once the hearing of the evidence and argument has begun, no additional member of the Committee shall join the Committee hearing the appeal.
4. The Chairman shall preside over the appeal, and the order of proceedings shall be:
  - a) distribution of copies of the relevant Appeals Form (the Tournament Director shall, prior to the hearing, have whenever practicable given the respondent a copy of the Appeals Form);
  - b) identification of the appellant and the respondent; and the introduction of all present by the Chairman;
  - c) statement of the facts by the Tournament Director who gave the ruling appealed against;
  - d) questions to the Tournament Director from the Committee;
  - e) opportunity for the appellant and the respondent to register agreement or disagreement with the Tournament Director's statement of facts;
  - f) the testimony of any special witness invited by the Chairman to assist the Committee; then as in (d) and (e) above;
  - g) the case for the appellant;
  - h) questions from the Committee;
  - i) the case for the respondent;
  - j) questions from the Committee;
  - k) any further questions or comment elicited by the Chairman;
  - l) after hearing the evidence and arguments, all persons other than the members of the Committee shall leave the appeal room, unless the Chairman requests the Tournament Director to remain during all or part of the Committee's deliberations;
  - m) the Committee, having reached its decision in accordance with Section 30.1, shall communicate this to the parties (if still present) and the Tournament Director, together with a brief statement of the reasons by the

Chairman. It shall be the responsibility of the Tournament Director to communicate the decision to any absent party.

5. These guidelines are intended to assist the Committee to conduct appeals fairly and courteously.
6. If the Committee is conducting a proceeding which is not an appeal of a ruling of the Tournament Director, the above guidelines may be modified by the Chairman as appropriate to achieve fairness.
7. References in these guidelines to the Chairman include the Chairman of the Tournament Appeals Committee and any designated Chairman referred to in Section 30.1 of these General Conditions of Contest.  
Players are encouraged to refer to the Code of Practice for Appeals Committees. This can be obtained from Internet at [www.worldbridge.org](http://www.worldbridge.org) or from the contact listed after Section 45.

APBF adopts the WBF Systems Policy with the following exceptions:

- a) Brown Sticker Conventions are allowed during the round robin in the Open, Women and Senior series.
- b) Psyches protected by system and classified as Brown Sticker by the WBF are not allowed for APBF Championships and Congress.
- c) Psyches of conventional and artificial openings are not allowed for APBF Championships and Congress.

#### **46. Appendix 8 - Format for APBF Championships**

1. The APBF Team of Four Championships will be held once in every calendar year except for Team Olympiad years, and for these years, APBF Congress will be held. The Championship will be divided into the Open, Ladies, Senior, Junior and Youngster series.
2. A NBO may send only one (1) team for each of the Open, Ladies, Junior and Youngster series.
3. A NBO may send up to a maximum of four (4) teams for the Senior series, subject to the guidelines as detailed in the Supplementary Conditions of Contest. The 2<sup>nd</sup> to the 4<sup>th</sup> team may be transnational teams.
4. The Championship will take the format of single, double, or triple round robins in each of the series depending on the number of teams participating and as stipulated in the Supplementary Conditions of Contest. The team who ranked highest after the round robins in each of the series will be the Champion.
5. The number of boards played in each match should be between 14 and 24, depending on the number of teams participating and as stipulated in the Supplementary Conditions of Contest.
6. The number of boards played each day is stipulated in the Supplementary Conditions of Contest, and should generally be between 48 to 64.
7. The Tournament schedule is to be arranged so that the Championships take no longer than 11 consecutive days.

## **47. Appendix 9 - Format to Determine Zone 6 Berths to World Championships (if held that year)**

### ***47.1 General***

Zone 6 current has 3 berths each in the Open, Ladies, Senior, Junior and Youngster series. Subject to stipulation in the Supplementary Conditions of Contest otherwise, the berths are determined as follows.

### ***47.2 First Berth***

The highest-ranking Zone 6 team at the end of the round robins in each of the series will automatically earn the berth to the World Championship.

### ***47.3 Second Berth***

The 2<sup>nd</sup> berth is determined by a 64-board play-off between the 2<sup>nd</sup> and 3<sup>rd</sup> ranking Zone 6 teams at the end of the round robins in each of the series. The winner of this play-off will earn the second berth.

### ***47.4 Third Berth***

The 3<sup>rd</sup> berth is determined by a 48-board play-off between the loser of 2<sup>nd</sup>/3<sup>rd</sup> play-off and the winner of the 4<sup>th</sup>/5<sup>th</sup> 64-board play-off. The winner of this play-off will earn the third berth.

### ***47.5 Refusing the Rights***

If any NBO decides not to participate in the play-off, hence refusing the rights to represent Zone 6 in the World Championship, its place will be taken up by the next highest ranking Zone 6 team in the series.

If any NBO who has earned the rights to represent Zone 6 in the World Championship subsequently decides to withdraw, its place will be taken up by the next highest-ranking Zone 6 team in the round robin who has not yet earned the berth.

### ***47.6 Host NBO of World Championship***

If the hosting NBO of a World Championship is automatically awarded a berth by the WBF, the hosting NBO will not be included in determining the berths.

### ***47.7 Senior Teams***

Unless allowed by the WBF that year, a Senior team participating in the play-off for Zone 6 berths may not be a transnational team.
